

OPEN Community Curriculum Coach Training 2016

This OPEN training event is designed to prepare you to deliver free professional development and curriculum support to your local school community. Move at your own pace and stay safe. *However, active participation is expected and required.*

OPENPhysEd.org

OPEN Coaches seek to **learn** from the greater physical education community, **inspire** others to be the best teachers they can be, and **lead** the way toward equity of access.
