

If you've completed an OPEN CCC event and have received your certificate of completion, you are now an **OPEN Community Curriculum Coach**.

OPENPhysEd.org

OPEN Coaches seek to **learn** from the greater physical education community, **inspire** others to be the best teachers they can be, and **lead** the way toward equity of access.

### As a Coach you are empowered to:

- ✓ Deliver professional development experiences using OPENPhysEd.org resources to your home district, free of charge.
- ✓ Invite other local districts and organizations to attend your district's professional development experience, free of charge.
- ✓ Deliver after school training to any organization offering out-of-school programming within the geographic county in which you live and/or work, free of charge.
- ✓ Act as a professional mentor, coach, content leader within your home district, within the limitations and regulations set by your school district or organization, free of charge.
- ✓ Deliver local and state conference presentations using OPENPhysEd.org resources.
- ✓ Access the OPEN CCC website [<http://openphysed.org/openccc>] in order to review, download, and implement the most recent CCC resources. *\* This is not a public website and should not be freely shared. It is a support service provided to certified CCC participants.*

*With empowerment comes responsibility.*

### As a Coach you cannot:

- Represent yourself as an employee or representative of US Games or BSN Sports.
- Charge a fee for any professional development experience or consultation which uses OPENPhysEd.org resources.
- Transfer your special offers and benefits of OPEN CCC Certification to anyone else.
- Act in any way that misleads or harms an individual or agency that is seeking assistance with OPENPhysEd.org resources.

Any questions regarding US Games Products and OPEN Services must be directed to Aaron Hart ([ahart@usgames.com](mailto:ahart@usgames.com)) or your regional US Games sales representative.
