

We need your help! With over 20,000 school sites registered for this event, we want to be able to share the magic and tell the story of field day.

We're asking as many people as possible to use the App: *Seenit Capture* to share the action of field day directly with the OPEN team.

The videos collected will be used and featured in our *National Field Day Highlight Reel* to be posted on our YouTube Channel and Website on May 25.

Everyone who uses this app to capture 3 videos (1 in each shot list category) will be entered to win 1 of 3 \$100 BSN Sports gift certificates redeemable for brand name apparel, footwear, or athletic equipment at BSNsports.com.

Winners will also be announced when we launch the Highlight Reel on 5/25/2020.

Here's how to get started!
