

SAUCER SLAM

Stuff You Need:

- 1 Saucer Slam Set (or) 1 Flying Disc, 2 large cones, 2 plastic or tennis balls

Players: 2 or 4 (play for fun with a partner or 2v2)

The Object of the Game:

- Work with your partner to hit the target with the disc.

How To Play:

1. Set cones 20 to 50 feet apart with plastic balls resting on top of the cone. Or use the Saucer Slam targets.
2. One partner throws the disc at the target cone from behind the opposite cone.
3. The opposite partner (behind the target cone) may tap, guide, or slam the disc into the target if needed.
 - Score 3 points if you hit the plastic ball off the cone with a direct hit to the ball (can be assisted by teammate, but disc must hit the ball before hitting the cone).
 - Score 2 points if you hit the cone with a direct hit.
 - Score 1 point if you hit the cone with a redirected assist from your teammate.
