

# PUMPKIN PATCH

## Games with Safe Physical Distance

### SPOOKY SPIDER JUMP AND FREEZE

Let's have some Pumpkin Patch fun with a game called Spooky Spider Jump and Freeze.

We're going to play fun Halloween music. When the music is on, we're going to safely jump like a spider in open space.

When the music stops, everyone will freeze and make your spookiest spider pose.

When the music comes back on, start jumping again.
