Games with Safe Physical Distance

TRICK OR TREAT LONG JUMP

Let's have some Pumpkin Patch fun with a game called Trick or Treat Long Jump.

Will you get a trick or a treat? If you can jump over your spot marker, you get a treat. If you land on the spot, you get a trick.

Here's the challenge...

You must grab your toes on both feet by reaching over the front of your feet and you cannot let go during the jump or the landing.

- You must jump forward over the entire spot.
- You can't fall backwards.
- Start with toes close to the spot edge. Heels must clear the spot.
