Brain & Body Warm-Ups

**WEEK 4 of 4**
**Routine**: A set sequence of steps. A task that is repeated daily, weekly, or at some consistent interval.

*Iman practiced the same warm-up routine before every practice.*

**Soccer Fortune Teller**: [YouTube for Game Play], [YouTube for Fortune Teller Folding]

Cut and fold the Soccer Fortune Teller. Then, play the Fortune Teller game and complete the soccer drills as a warmup.

Be sure to read the healthy food facts on the fortune teller each time you play the game. Share those facts with a friend or family member.

Purposeful Practice

**WEEK 4 of 4**

**Enjoy**: Having positive feelings caused by doing or experiencing something you like.

*The class knew that they would enjoy the soccer activities that Ms. Williams had planned.*

**Soccer Bocce**: [YouTube]

Every player has a soccer ball. The group needs 1 bean bag, or sock ball. The youngest player starts by tossing this bean bag or sock ball (this is the “jack”). The object is for each player to use a push pass to get their ball closest to the jack. Points are awarded for distance to the jack: within 1 step = 3 points; within 2 steps = 1 point. How quickly can you score 10 points?

Just for Fun (and health)

**WEEK 4 of 4**

**Physical Activity**: Any physical movement that uses the body’s energy.

*It’s important to make physical activity a part of your daily routine.*

**Walk the Soccer Dog**: [YouTube]

Your soccer ball is a soccer dog, and it needs to go outside. On the start signal, take it for a slow walk by using slow and controlled dribble taps to move around the activity area at a walking pace.

When you hear “Fire Hydrant!” Stop and put your foot on top of the ball to hold it in place. Continue a walking dribble on the start signal.
