

# SOCCER NATION

## Checklist for Learning

### Students and families:

During the next 4 weeks, we will be refining basic soccer skills. It's okay if you don't have a soccer ball at home. The team at OPENPhysEd.org has a [great video](#) showing us how to make a Hoodie-Ball using a hooded sweatshirt.

Keep this page in a safe place. It's a checklist of everything that you will need to complete during this 4-week *Soccer Nation* experience! But, if there's ever a time when you need a copy of our learning materials, you can visit: [OPENPhysEd.org](https://openphysed.org) to download activity pages, assignments, and watch video demonstrations of the learning activities that we'll be using in physical education class.
