

Tic-Tac Whoa!

Watch this activity demo on  YouTube 

The Goal:

To be the first player to get 3 bean bags in a row (row, column, or diagonal).

What You Need:

9 Hula Hoops (or spots), 2 Bean Bags, Spots (5 of 1 color & 5 of a different color)

How To Play:

- Make a tic-tac-toe board by placing the 9 hoops in 3 equal rows of 3 (3X3).
- Stand with a partner 10-15 paces away. Assign each team a spot color.
- Player 1 tosses his/her bean bag. If the bean bag lands in an empty hoop, then that player will move to the hoop and place a spot inside the hoop, collect the bean bag, and then run back to the start.
- Now it is time for Player 2 to have a turn.
- Continue until someone gets three spots in a row (row, column, or diagonal).
