The Goal:
YOU can be a master of disguise. Move down and back from cone to cone putting on funny clothes (1 at a time) until your disguise is complete.

What You Need:
2 cones per player. Oversized pants, shirt, hat and shoes per player.
How To Play:

- On the start signal, jog down to the checkpoint and put on the shirt, then jog back to the start point.

- Next, jog to the checkpoint and put on the pants, then jog back to the start point. Continue until you are wearing the entire disguise.

- Race against the clock with 2 or 3 trials to see how fast you can complete the challenge. Or, race against other players.
