Learning Module: **SPIKEBALL Challenges**
Secondary Weeks 25-28

**Healthy Body**
I will participate in health-enhancing physical activity for at least 60 minutes each day.

**Healthy Mind**
I will reflect on the SEL concepts of determination, courage, and passion.

**Enjoyment & Challenge**
I will participate in purposeful and challenging practice in an effort to improve my skills.

**Building Skills**
I will participate in Roundnet skill-building and practice activities to improve passing, hitting, and serving skills.

**Why are we learning this?**

**Roundnet is the popular sport played with Spikeball equipment.** This module is designed to help students build basic Roundnet skills while preparing them for participation in OPEN National Field Day. Students will also reflect on important emotional concepts with a focus on empowerment. They will:

- Learn and practice basic skill-building activities and drills with a focus on improving your passing, hitting and serving skills.
- Reflect on the concepts of determination, courage, and passion.
