

Basketball Round Robin Tournament

Duty Team Instructions: Circle winning team after each game. Add game score and a checkmark if the losing team identified areas of improvement in the appropriate column. Total points should reflect overall winner after ALL games are completed, with 1 point added for losing team if areas of improvement were identified after each game.

Example: Green team won 3 games so would get 3 points; Blue and Green each won 2 games, so both get 2 points for a tie.
