LEANING TOWER

Set-Up:

- Space low-profile cones in a line along 1 side of the activity area.
- Scatter foam balls and bean bags on the opposite side of the play area.
- Create groups of 3–4 students; 1 group at each cone.

How to Play:

1. This Community Connection activity is called *Leaning Tower*. The object of the game is for each team to create a tower on top of your cone using a foam ball and at least 3 bean bags.
2. On the start signal, everyone on your team will move together to pick up a foam ball. Each player must be touching the ball as you travel back to place the ball on the cone.
3. In the same way, your team will then travel to pick up one bean bag, and then return to place the bean bag on top of the foam ball. Continue until your tower is built 3 or more bean bags high.
4. If your tower falls at any time, you must return all materials back to the opposite sideline and start over with a foam ball.

Community Connection Game-Day Fact:

- No one has ever achieved greatness without the help of other people. Teams don't win without teammates working together. Find your team. Celebrate them. Elevate the people around you. Encourage their purpose and unlock their greatness.
